Introduction

The Umpqua Valley Arts Association is proud to present our 42nd Annual Summer Arts Festival, the largest arts festival in Douglas, Coos and Curry Counties. This eagerly anticipated celebration of the arts is free to the public (with a suggested donation of \$4 at the gate) and is strongly promoted through newspaper coverage, television coverage and public interest. The Arts Center is in the heart of Roseburg, is open to the public, houses 5 galleries, gift shop, working artist studio and a clay studio and educational classroom which rests in the center of historic Fir Grove Park. The Arts Festival Marketplace features 130+ fine artists and craftspeople from around the Northwest. Artists will offer work in a wide variety of juried mediums including painting, ceramics, glass, jewelry, wood, photography and fiber. In addition to the Marketplace, free performances by regional acts will be presented on the Family and Main Stages. To help celebrate this year's event UVAA will be hosting many activities including a 5k run and competition through the park on Saturday morning. This three day festival will host more than 11,000 people over the course of the weekend. We are dedicated to providing you, the exhibiting artist and food vendor, the support needed to experience an enjoyable and profitable weekend.
