

## Next year's application process will take place on ZAPP®

*UVAA is excited to announce that we will be using the ZAPP online application system ([zapplication.org](http://zapplication.org)) for the 2016 Summer Arts Festival.*

ZAPP® is a free, online service for artists that simplifies the festival application process. Enter your contact information and work samples just once, and you can apply to shows and festivals anywhere in the country. Registration for the 2016 Summer Arts Festival opens January 15th, so be sure to look for our listing on [zapplication.org](http://zapplication.org)!

### CREATING A ZAPP ACCOUNT

First register for a new account. Registration is free and provides you with the opportunity to receive weekly emails and event mailings about upcoming events and important deadlines.

1. Visit **[zapplication.org](http://zapplication.org)**
2. Click the blue "Register Now" button in the top, right-hand corner of the page
3. Fill out your profile information
4. Agree to the ZAPP® system terms and conditions

All items in **bold** print are required fields. Once registered, you can visit your profile to change your communication settings and other basic user information. If at anytime your profile information should change, you may return to your profile to update it.

After registering for ZAPP®, you will have full access to the system. You can view upcoming events, deadlines, and begin applying to events online. *Please note: You will not be able to apply to any shows until after you upload images to your Portfolio.*
