we belong together

When you choose to become a member, you recognize UVAA as a vital community resource for culture and art now and for generations to come.

When you choose to become a member, you become part of a community that embraces arts and culture as essential to the social and economic health of our region.

When you choose to become a member, you become part of the team of volunteers, professionals and supporters that makes all of UVAA's great work possible.

We provide students throughout our region with 18,000 hands-on art experiences each year, developing fine motor skills, building self-esteem, and encouraging critical thinking.

Arts Center classes and events bring artists together to share their expertise and refine their skills, opening up a world of self-expression for all.

The galleries, classrooms and public spaces of the Arts Center are housed in the former Oregon State Soldiers' Home Hospital built in 1917. We celebrate and care for this landmark which was added to the National Register of Historic Places in 2012.

We hold thirty unique and thought-provoking exhibits each year, with festive gallery openings, artist talks, and community gatherings where old & new friends start conversations and express their joy for the history, talents, and diversity of our region.

Our Gift Gallery offers unique treasures crafted by local artists year round and the Holiday Pop-Up Shop expands the options for truly special gifts.

Our annual Summer Arts Festival brings 10,000 people to Fir Grove Park each June. Over 100 artist booths, demonstrations, creative kids' activities, non-stop music, local food and drink has made this a can't miss event for a half-century. Nearly 200 volunteers contribute to the unrivaled positive energy surrounding this event.
